

POOL SAFE ENTERS THE FLORIDA MARKET WITH THREE REVENUE SHARE PARTNERSHIPS

TORONTO, ON May 23, 2019 - Pool Safe Inc. ("**Pool Safe**" or the "**Company**") (TSXV: POOL) continues a year of strong development in the Florida market with the announcement that it has signed three outdoor waterparks to the Company's three-year revenue share partnership, for a total deployment of 83 PoolSafe units.

"Florida is a very important tourist market in the United States and has some of the world's most famous theme and waterparks. It's location and climate lend itself to an extended season of PoolSafe usage," said David Berger, CEO of Pool Safe. He continued, "standalone outdoor waterparks are the most popular waterpark segment in the U.S., with the Midwest and South regions being home to the most waterparks with almost 800 facilities."

As with all Pool Safe revenue share agreements, the Company will fund the production, delivery and installation of the PoolSafe product. In return, Pool Safe and its partners will split the revenue generated from customer usage, with 60% allocated to the Company and the remaining 40% allocated to the partner. The Company expects to have all PoolSafe units delivered for the Memorial Day long weekend.
